## Dreams Come True!

**Dare to Dream** has programs designed with you in mind. Our goal is to provide Christ-centered programming that offers practical tools for living. Our world has many problems, but the Bible has many solutions. Dare to Dream wraps the timeless biblical principles into contemporary contexts, and transcends culture. Here is a sample of our wide variety of programming.

### DOLLARS & SEN\$E

Host Ryan Mack is a frequent CNN contributor, author, and, most importantly, a Christian. On this program he takes biblical principles and applies them to financial

precepts. He exposes the financial predators in the inner city, and cautions against check cashing centers and furniture rentals. Learn how to improve your credit, make out a budget, as well as the basic concepts of financial literacy.

### CREATIVE COOKING

Now in its second season, our new vegan program, *Creative Cooking*, features delicious recipes by Nicole Braxton that are internationally infused and packed with flavor! Her goal is to enable you to “travel the world one bite at a time,” and her focus is on restoration, total wellness, and connecting with the community. You’ll find her recipes under the “Resources” section of our website, [d2dnetwork.tv](http://d2dnetwork.tv).

### LIVE TO BE WELL

Dr. Kim Logan Nowlin hosts her new program, *Live to Be Well*, that addresses the whole person’s physical, mental, emotional, and spiritual health. Featuring guests from all walks of life, she is committed to bringing the good news of Jesus Christ to each and every viewer. Dr. Kim is engaging, funny, and compelling. You’ll definitely want to watch this program!

### WORKIN' THE DREAM

Have you ever wondered how to take Jesus with you into the workplace? Do you need to know some basic things like how to prepare a resume, or what HR people look for? Host Eric Kelly is a long-time employment coach and mentor who will teach you how to land and keep your dream job. *Workin' the Dream's* elements of comedy, as well as the teaching segments with Eric, make it the “go-to” place for learning how to live out your Christianity in the workplace.

### THE MISSING PEACE

How’s your prayer life? Are your prayers stale? Too formal? Boring? Dr. Nadine Joseph Collins is a prayer warrior, and along with host, Jason Bradley, she can revolutionize your prayer life! Prayer is the key to a deeper experience with God, and she will teach you the principles of prayer, and how to have a richer relationship with the Lord. Tune in and watch your prayer life go “WOW!”

### A FATHER'S HEART

Many inner-city families are single-parent, female dominated units. Sometimes the fathers are just not there, or, if they are involved in their children’s lives, they are unaware of how to parent successfully. *A Father's Heart* is hosted by Xavier Morales and features Pastors Denry White and Gordon Frasier. This program focuses on teaching men how to be godly, effective fathers, and helps those who just don’t know where to begin. With amazing transparency, they make themselves vulnerable to show that even if you don’t have all of the answers, you can make a huge difference in your child’s life by consistently showing up and applying spiritual principles. ☺

Our desire is to continue spreading the gospel of Jesus Christ around the world, and we need your support to do so. If the Holy Spirit impresses you, please send your tax-deductible love gift to Dare to Dream, PO Box 220, West Frankfort, IL 62896. Thank you for your prayers and your financial support!
