Positive Feedback

Viewer response has been wonderful. A Dare to Dream viewer in Kingston, Jamaica, writes, "I have been a viewer of 3ABN since December 25, 2001, when I came to believe in Jesus Christ. I want to say that I really appreciate and have been blessed by your series, *Salvation in Symbols and Signs*. Praise God for inspiring 3ABN Dare to Dream Network to do this Bible study on the book of Revelation! I have been watching the series on YouTube, which I find very convenient to watch on-demand on my computer or smartphone. May God continue to bless you and the panel of the series, as well as the Dare to Dream team."

Dolores writes, "I love to see the programs on Dare to Dream because they are very timeless and needed in our spiritual growth;" and Lolita says, "What an awesome network. I love *Chew's Challenge*, a program that teaches a plant-based diet using Pastor Chew's F.O.R.K. system. May the Lord continue to use your network to reach the world." Carol says, "I watched *Dollars & Sen\$e* tonight and I am hooked! I never imagined my Bible could hold so much information about my finances! The show was amazing and I really hate to wait until next week to see it again. This is what more ministries should talk about in their sermons. I am so inspired to learn more!"
