

Jesus said, “There is joy in the presence of the angels of God over one sinner who repents” (Luke 15:10), and we can think of nothing that brings us more joy than to do all we can to add to that number!

Here are a few of the letters we’ve received recently from prisoners whose lives have been transformed by the Study Bibles, books, and study guides our 3ABN Pastoral Department has been able to send them—thanks to your generous support.

Sean writes, “I am currently incarcerated in a small county jail whose library is limited; and due to the pandemic, they have suspended all chapel services. I am in need of a Bible to strengthen my relationship with Christ. I have been getting by on *Real Peace, Real Answers* [Steps to Christ] by Ellen White, which has been a real blessing to me. I have been handwriting chapters to send home in the mail to share them with my family.... In the last month, I have watched God transform my life.... I am happier and more at peace than I was when I was not incarcerated. I am clean and drug-free, glory be to God! He has truly blessed me.”

Jaovanni from Texas wrote, “I want to thank y’all for the books you sent me, especially the Bible, and the *Prophets and Kings* book. Y’all are doing an amazing job. Y’all have the ultimate Study Bible, and I love it. I have never had a Bible that is so helpful.... I have learned more from these books in a couple of months than I have in a long time.”

Rebecca expressed her gratitude for the books she received after being transferred to another facility and thinking she’d never get them. “I can’t tell you what great timing it was when I received that package! I wrote y’all when I was in county, and ‘pulled chain’ shortly after. I was very upset I couldn’t take my favorite book, (*Desire of Ages*) with me! Plus, I didn’t know y’all’s full address to request it again. But as blessings would have it, y’all found me! I think you are really Heaven’s messengers! ... Ellen White is now my new favorite author, hands down. I just can’t get enough of the information my spirit receives from y’all’s books. I am so glad to have 3ABN in my life.”

Nicholas, in Indiana, wrote, “I would like to thank you for the books again. I enjoy any and everything that helps me grow and learn—all the literature that leads me to the truth. I also want to thank you all for the messages you share on your radio station. I enjoy them, and am glad I have a chance to listen to it daily. It helps me get through the day. The messages always hit my heart and stay with me.”

Anthony also listens to 3ABN Radio, and wrote to tell us how much he appreciates that ministry—and the books we’ve sent him. “I had lost my earphones for my radio when I turned in my bedsheets to laundry last week,” he begins. “But today a friend just offered his earphones to me without my asking—and I was so happy! I turned on 3ABN Radio and heard something I have been thinking about—that in John 3:16, God doesn’t call the righteous, but the sinners. I think God loves everyone! Even me. Even ‘gangers.’ It made me cry.... For the first time I can feel God’s love for me and for others. He has taken all that hate and vindictiveness, that retaliatory behavior away. I only wish I knew God’s love before... I don’t have the words to share with others about the way I feel. It’s... beautiful. *I’m in prison—and I’m happy!* I wanted to know that just one person loves me, and now I know that God does, and that satisfies me! He is my Father, and my Friend. Whatever I need, there it is.... I appreciate all the books you’ve sent me. Thank you, and God, for loving me and sharing the length, depth, and breadth of your love.”

We are so grateful for your support that makes this prison ministry possible. Our Pastoral team, Dare to Dream Network, and Marketing Department are working very hard to bring 3ABN programming to prisoners. So rejoice with us—and the angels in Heaven—as we see the Holy Spirit changing lives behind bars! ☺

DARE TO DREAM'S HARD DRIVE FOR PRISONS INITIATIVE

Although volunteers can no longer enter prisons because of the pandemic, we can still take the gospel to those who are incarcerated. With your help, we can provide two years of programming on special hard drives that can be played on a prison’s closed-circuit TV channel. For roughly \$25,000, we can reach close to 100 correctional facilities! Please help us point them to Jesus—the only One who can change their lives for eternity!
